

The Do Not Call law has returned our family dinner hour to a peaceful time shared by family members for discussion and enjoyment. Prior to the enactment of the Do Not Call law in NJ, there were numerous phone intrusions at dinnertime and a variety of other times by solicitors or other business/survey persons unknown to us. Please do not weaken the Do Not Call law in NJ; instead protect it since it has restored quiet and peace to our home. Thank you for your attention in this matter.
